Principal's Note:

Dear Parents and Caregivers

As this first term draws to a close I would like to thank all the teachers and support staff for all their hard work and making it a great start to the school year.

It has been a busy term with lots of fantastic learning taking place throughout the school.

I would like to add my thanks to all the children for all their hard work and know that they will be looking forward to a well earned break.

A special thanks also to the parents and caregivers for all the support you give to your children and to us as a school.

I do hope that you have an enjoyable and safe time over the holiday break and we look forward to seeing you all again at the beginning of Term 2.

Many Thanks
