Principal's Note:

Dear Parents and Caregivers,

A big welcome back, it was lovely to see so many bright smiling faces keen to see their Teachers and friends again.

There has been a real positive feel around the School over the past few days and children have settled quickly back into class routines and enjoying being back in the classroom. We are looking forward to getting learning programmes up and running as we move into what remains of Term 2.

I want to say to all Parents a big thank you for all your efforts during the lock down time for supporting your children with the home learning opportunities. I realise that this at times would not have been easy balancing home life, working from home and learning. I know it would have been a challenge. So well done.

We would like your feedback as to how the home learning went for you and have included a link in this newsletter.

I also want to thank all the Staff for the way you rallied to support the development of the home learning programmes and issuing of resources and devices. To those Teachers who were willing to support the small group of children who attended School during two weeks of Level 3, many thanks.

The ongoing measures of sanitising and contact tracing to keep everyone safe will remain in place until further notice and I appreciate your cooperation with these measures when entering and exiting the school.

As we continue through this time of COVID Level 2, I will keep you posted as to any new developments as they arise.

Kind regards
Ngā mihi nui
